

EVERGREEN™ STORAGE

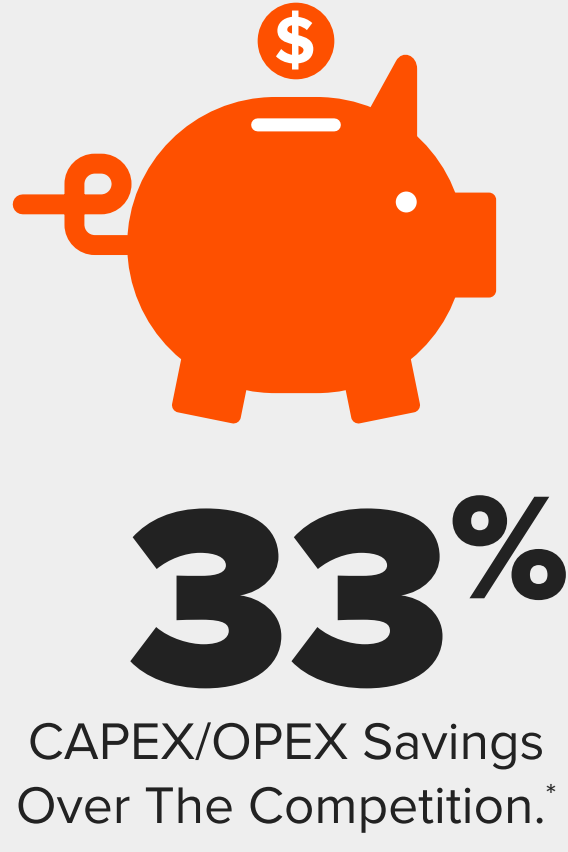

A better storage ownership experience.

NO MORE FORKLIFT UPGRADES OR MAINTENANCE WINDOWS.

Storage that keeps adding value for a decade or more.

Evergreen Storage BY THE NUMBERS.

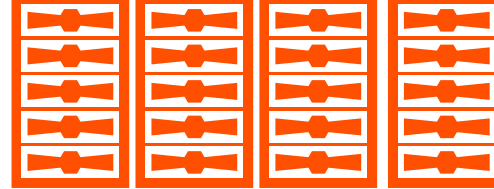

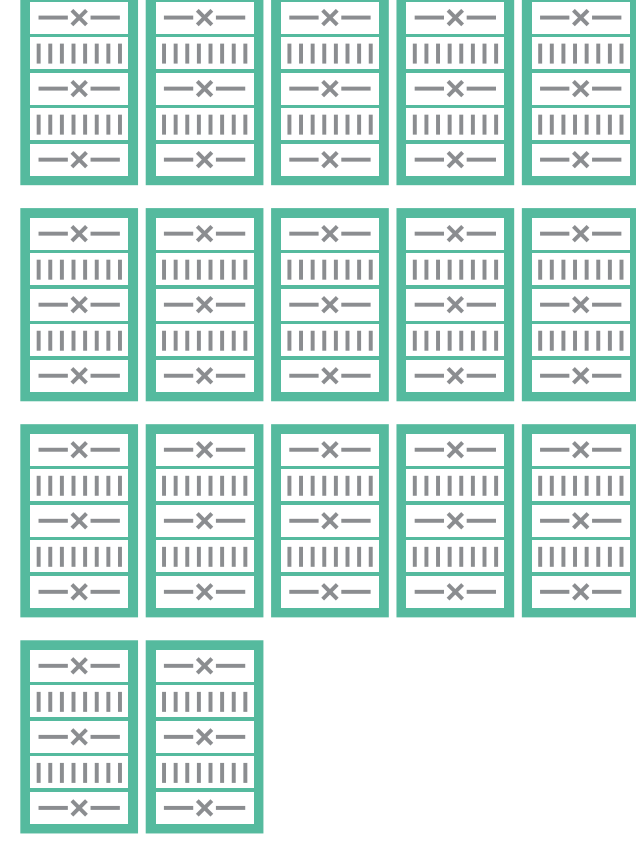

THE EVERGREEN DATA CENTER TRANSFORMED BY PURE STORAGE.**

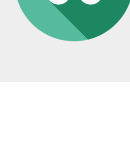

10PB Usable Hybrid Disk Storage (17 Full Racks)

VS

10PB Usable Evergreen Storage (4 Full Racks)

WHAT DO OUR CUSTOMERS HAVE TO SAY?

I don't know anyone who offers anything like Evergreen Storage. It's awesome!

KEVIN BEHNKE
Sr. Network Administrator
Loyola High School

Thanks to Evergreen Storage, we now have an array with even greater capacity and higher performance at no additional cost over what we already paid in maintenance.

JOE PALMER
Infrastructure Manager
Farm Bureau Insurance of Michigan

Evergreen Storage was a huge reason we went with Pure.

MICHAEL RICHARDSON
System Administrator
Smithville Fiber

What sold the CFO was the Evergreen Storage program. It was the every-five-year forklift and the recurring maintenance costs of that traditional model – compared to what Evergreen offered – that proved the cost savings to him.

NICK KRAPP
IT Director
FlexPrint

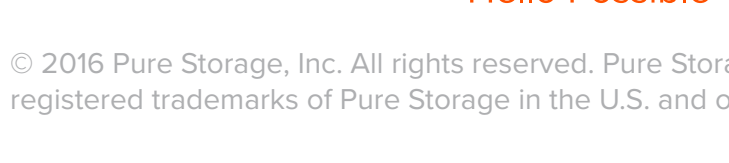

MODERNIZE YOUR STORAGE INFRASTRUCTURE

Purchase & upgrade incrementally, with confidence.

Whether you're considering a move from spinning disks to flash, expanding storage capacity or modernizing your data center, buying storage just got a lot easier. Deploy once, upgrade capacity, performance and features according to your business needs, and never have to repurchase or migrate anything. Evergreen Storage can save you money and keep you ahead of storage innovation.
